PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is for your Board to initiate proceedings for the annexation of territories to County Lighting Maintenance District 1687 (CLMD 1687) and County Lighting District LLA-1 (CLD LLA-1), Unincorporated Zone, and order the preparation and filing of an Engineer's Report for each petition area, pursuant to Section 22585 of the California Streets and Highways Code.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Fiscal Responsibility (Goal 4) by performing the annexation and levying of assessments for the funding necessary for the installation, operation, and maintenance of new street lighting facilities within the annexed territories. In addition, this action is consistent with Community Services (Goal 6) by improving the quality of life for residents in the community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The attached Petition Nos. 1-107 (Anola Street), 43-307 (Gorman Post Road), 54-407 (Galemont Avenue), and 109-806 (Cadwell Street) favoring the annexation of territories and the installation of street lights on new or existing wood poles were signed by property owners representing 64, 100, 73, and 66 percent, respectively, of the areas proposed for annexation to CLMD 1687 and CLD LLA-1, Unincorporated Zone. This complies with the 60 percent or more requirement in a policy adopted by your Board on March 11, 1980. The attached petitions indicate the approximate assessment for the installation, operation, and maintenance of the street lights to be paid by the property owners within the territories to be annexed.

These proceedings are governed by the Landscaping and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code). The Department of Public Works will prepare an Engineer's Report that complies with Section 22565 et seq. of the California Streets and Highways Code and Article XIID, Section 4(b), of the California Constitution.

The Honorable Board of Supervisors
October 2, 2007
Page 3

After your Board adopts the attached Resolution Initiating Proceedings, a separate Resolution of Intention to Annex Territory to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will be prepared and submitted for your Board's consideration and adoption. The Engineer's Report will also be filed at that time.

The Resolution Initiating Proceedings for the Annexation of Territory to CLMD 1687 and CLD LLA-1, Unincorporated Zone, has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA). The project is within a class of projects, which has been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301 of the CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Preparing an Engineer's Report is consistent with the current services regularly conducted by the Department of Public Works.

CONCLUSION

Please return one adopted copy of this letter and the signed resolution to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter to the County Assessor, Ownership Services Section (Attention Soledad Osborne), and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,
